🔑 Answer key (teachers only)

1. **Card 1 — Prize Team: Bin it** (also fine: Report & block). Clues: It promises a prize; It asks for a key or a secret code; It rushes you. Nobody gives a tablet to a stranger. The prize is the bait, the rush is the hook, and your key is what it really wants. Bin it and it gets nothing.
2. **Card 2 — The Library: Deliver**. No hidden clues — this one is safe. This one is safe to deliver. The library is a sender you know, it asks for nothing private, and nothing in it rushes you.
3. **Card 3 — Post Office Team: Bin it** (also fine: Report & block). Clues: It asks for a key or a secret code; It rushes you. The real post office never asks for your key by letter. A threat and a rush are there to stop you thinking. Bin it, and tell a trusted adult if you feel worried.
4. **Card 4 — Your Teacher: Deliver**. No hidden clues — this one is safe. Safe to deliver. It comes from your teacher, tells you something ordinary, and asks for nothing back.
5. **Card 5 — Game Shop: Bin it** (also fine: Report & block). Clues: It sounds too good to be true; It rushes you. A thousand free coins, gone in an hour? Real shops do not hand out treasure like that. Too good to be true, and rushed: bin it.
6. **Card 6 — A Friend of a Friend: Bin it** (also fine: Report & block). Clues: It begs you to pass it on; It rushes you. Luck does not travel by letter. This trick only works if you pass it on, so the kindest move for everyone is to bin it and break the chain.
7. **Card 7 — CoolGamer99: Show Pim** (also fine: Report & block). Clues: It asks you to keep a secret from adults; It comes from a stranger. Chat is for people you know in real life. A stranger who asks for secrets from adults and wants to meet is the biggest red flag there is. Show Pim — ask a trusted adult — every time.
8. **Card 8 — Mia from Class: Deliver**. No hidden clues — this one is safe. Safe to deliver. Mia is someone you know in real life, and the message is just kind words about the game.
9. **Card 9 — JokerJay: Report & block** (also fine: Show Pim). Clues: It is mean about someone; It begs you to pass it on. Mean messages want an audience. Do not join in and never pass them on. A kind word to Pip helps more than any reply, and reporting tells the game to stop it. If it worries you, save it and tell a trusted adult.
10. **Card 10 — NewFriend: Show Pim** (also fine: Report & block). Clues: It promises a prize; It asks you to keep a secret from adults. A free skin from a stranger, wrapped in a secret. Real friends never ask you to hide things from adults. Show Pim before you do anything else.

11. **Card 11 — Coach Rana: Deliver**. No hidden clues — this one is safe. Safe to deliver. Your coach, a normal plan, and nothing private asked for.
12. **Card 12 — Fun Quiz: Bin it** (also fine: Report & block). Clues: It fishes for private facts; It begs you to pass it on. Those are not quiz questions, they are the answers to security questions. A trickster collects them to sneak into accounts. Bin it.
13. **Card 13 — Lucky Letters: Bin it** (also fine: Report & block). Clues: It begs you to pass it on; It promises a prize; It rushes you. The Magpie loves a chain: the trick does its own traveling. Bin it, and the chain ends with you — that protects ten friends at once.
14. **Card 14 — Grandma Rose: Deliver**. No hidden clues — this one is safe. Safe to deliver. A thank-you from someone you love, asking for nothing but soup.
15. **Card 15 — Account Team: Bin it** (also fine: Report & block). Clues: It asks for a key or a secret code; It rushes you. Checking an account never needs your key sent in a letter. That request is the trick itself. Bin it.
16. **Card 16 — News Flash: Bin it** (also fine: Show Pim). Clues: It sounds too good to be true; It begs you to pass it on. Huge news from a sender nobody knows, with candy on top. This one just wants a reaction and a crowd. Bin it — and if a story ever worries you, check it with a trusted adult.
17. **Card 17 — Post Office Notice: Deliver**. No hidden clues — this one is safe. Safe to deliver. An ordinary notice from the post office, with no links, no asks and no rush.
18. **Card 18 — Prize Team: Bin it** (also fine: Report & block). Clues: It sounds too good to be true; It promises a prize. You did not enter anything, so you cannot have won anything. Visitor-number prizes are an old costume on the same trick. Bin it.

The calm routine for every trick: do not reply, do not tap, tell a trusted adult. Cards are the Trick Inbox game's own messages — the same ones students meet in Unit 4 and the boss round.
